Dear Sir/Madam,

We have received a number of complaints about the parking outside Maidwell Primary School during school drop off and collection times.

We are proposing a conciliation meeting, which will hopefully allow:

- All parties to express their views about issues
- All parties to understand the concerns of the other parties
- Hopefully come to an amicable agreement regarding the actions of ALL parties

The meeting will be held at the school at 5.30pm on Thursday, 15th June 2017 and if you would like to attend then please contact Anne Cowan on maidwellwithdraughton@gmail.com or 07762712039 during office hours.

This is your opportunity to have your say and air your concerns.

Yours faithfully,

Keith Millard
Highways Safety Officer

For and on behalf of Northamptonshire Highways
