13 March 2018

Dear Sir or Madam

NOTIFICATION OF EMERGENCY WORKS

A14 Westbound, between the A14 Junction 2 and M1 Junction 19 (Cathorpe)

I am writing to let you know that we will be carrying out emergency work on the A14 westbound, between the A14 at junction 2 and the M1 at junction 19 (Cathorpe).

These emergency works will improve the road surface by repairing identified defects on the carriageway. Once complete, all road users will benefit from improved safety and a more pleasant driving experience.

When will the work take place?

This work will take place on Wednesday, **14 March 2018** and will be completed during one overnight shift.

Please note that all our planned roadworks are subject to change due to weather conditions or unforeseen circumstances.

How will the work affect traffic?

To minimise inconvenience and disruption to the travelling public, we will carry out the work **overnight from 8pm to 6am**.

To maintain a safe environment for our workforce and customers, a full carriageway closure is necessary to complete all tasks. While the A14 westbound carriageway, between the A14 at junction 2 and M1 at junction 19, is closed we will:

- put in place fully signed diversion routes, which have been agreed with the local authority (the main diversion route is A14 eastbound to A14 junction 8, then A43 southbound to the A45 to M1 junction 15).

The A14 eastbound carriageway will remain open throughout the works and all carriageways will reopen at 6am on Thursday 15 March 2018.

We apologise for providing short notice of these emergency works and for any inconvenience caused during delivery. We will do our very best to complete the work as quickly as possible, keeping disturbances and noise to a minimum.

Contact us

If you have any questions about our work, please contact the Highway England Customer Contact Line 0300 123 5000. Or you can email us at info@highwaysengland.co.uk, for the attention of **East Midlands Asset Delivery**

Yours faithfully,

East Midlands Operations Directorate
