Technical information about this website's accessibility

Maidwell with Draughton Parish Council is committed to making its website accessible, in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018.

This website is partially compliant with the [Web Content Accessibility Guidelines version 2.1](#) AA standard, due to the non-compliances and exemptions listed below.

Non-compliance with the accessibility regulations

We may have some scanned PDF documents on our website e.g. our Annual Governance and Accountability Returns (AGARs). Scanned PDF documents do not comply with the Accessibility Regulations 2018 but these documents can be provided in an alternative format or on alternative media, on request.

We are required, by law, to upload a number of documents that have been approved and signed (the end of year audit as mentioned above), we do so by scanning the document and uploading as a PDF filetype. The very nature of a scanned document is not accessible and often OCR conversion of the document is not perfect.

Disproportionate burden

Not applicable.

Content that's not within the scope of the accessibility regulations

3rd party products

- We use Google maps. These may not be accessible to some people. We will always provide the information by alternative means on request
- Social media share bars may not meet the required colour contrast levels

The accessibility regulations do not require us to fix PDFs or other documents published before 23 September 2018 if they're not essential to providing our services.
